

MADHYA PRADESH POWER MANAGEMENT CO. LTD.

No. 01-13/07

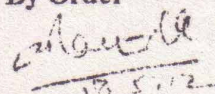

/Jabalpur, dtd. 18.05.2012

CIRCULAR

It is observed that Writ Petitions are being filed by the personnel of the erstwhile MPSEB, by making Madhya Pradesh State Electricity Board and its offices as respondents, despite the fact that employees have been finally transferred to successor entities and the MPSEB has been merged in MPPMCL, Jabalpur.

It has, therefore, been decided that Writ Petitions against MPSEB are to be defended by the entity in which the concerned employee has been transferred. The OIC of the case has to file Interlocutory Application (I.A.) in the concerned court through the counsel, apprising with the transfer of services of concerned employee, merging of the MPSEB in MP Power Management Co. Ltd., Jabalpur and other connected matters, with a specific mention that the remedies required are now not in the domain of MPSEB but is in the jurisdiction of concerned entity and to pray for direction to the petitioner to change respondent from MPSEB and its offices to concerned successor entity and its offices.

By Order
